

Youth Theatre of Hardin County gratefully acknowledges the generous support of our sponsors who ensure the growth and artistic excellence our audiences have come to expect for half a century. Each summer we produce a fully staged Broadway style musical featuring approximately 45 or more local students. Your support will allow us to present our annual musical and continue our mission as the oldest and finest youth theatre program in the Commonwealth of Kentucky.

To sponsor this valuable community support program, please fill out this form and return it with a check made payable to:
